After careful assessing the current situation and balancing the need of doing exercise to fight against the Covid-19, we are pleased to announce the following arrangements on reopening some of the on-campus sports facilities starting from 24 February 2020:

1. Outdoor Basketball Court, Mini Soccer Pitch and tennis courts will be open as usual according to normal opening hours.
2. FOK Ying Tung Sports Center including the running track, artificial turf soccer pitch and changing facilities will be open from 9 am to 8 pm with a cleaning break from 2 pm to 3 pm daily.

We would also like to have your attention on the special reminder as below when using the sports facilities:

1. All users should check their body temperature at the Remote Fever Self-check Station in the Atrium. Users with fever or respiratory symptoms shall not use the sports facilities.
2. Users are reminded to minimize the personal contact and maintain social distancing when doing exercise.
3. Please help us to keep the cleanliness of our facilities at high standard.
4. All block bookings are suspended until further notice to reduce the chances for any purpose of group games or social gathering.

We will monitor the situation closely and review the arrangements in a timely manner. We will consider to re-open other sports facilities including the indoor facilities if public health concerns are no longer a major risk to campus operation.
