* The reopening of indoor basketball court for individual ball shooting practice is an effort on trial basis to provide more variety for students and staff doing exercise to maintain better physical and mental condition to fight against the COVID-19 epidemic. This arrangement has already balanced the health risk by limiting the body contact.

In addition to our rules and regulations, the following measures are adopted at the Sports Facilities to reduce the risk of the spread of the COVID-19 virus:

1. All spectator stands are closed.
2. All block bookings for organized activities are suspended.
3. All users must check their body temperature at the entrance counters. Users with fever or respiratory symptoms shall not use the sports facilities.
4. Users must register with their HKUST ID cards and check-in time at the entrance counters.
5. All users must wear face mask and maintain 1.5m social distance at all times except when they are doing exercise at the outdoor venues. In addition, for users who are jogging at the Track at FYT Sports Center, they must keep 1.5m distance with other users.
6. Please stop exercise immediately and seek help from our staff if you are not feeling well when doing exercise with face mask.
